*By Deacon Battle, Epicenter Of Worship*

### About me:

My name is Deacon DeMarquis Battle. I serve in a Spirit Filled non-denominational ministry, **Apostolic Word Church "Epicenter Of Worship"** in Lansing, MI under the leadership of **Elder Sean Holland**. God has truly blessed me to be in such an anointed place where he is stirring up the gifts inside of me to reconcile the world back to Christ.

Jesus has done great things in my life and has brought me to new levels in ministry and I continue to seek his will as I go through training in the religious studies seeking my ministerial license. The office of a deacon is simply that of a servant. God has dealt with me about this specific calling for this season in my life even though I have been called into the five fold ministry (evangelist, prophet, teacher, pastor, apostle). The Holy Ghost is ever present in my life, dwelling within and leading me to the greatest place to be...God's presence. God Bless everyone who stops by this site. I aim to do nothing but minister to, motivate, and encourage those seeking Christ to fulfill the void left by a father, mother, brother, sister, or friend. Jesus will fill that void and replace it with his Spirit, full of joy and peace.

Email me at [deaconbattle@hotmail.com](mailto:deaconbattle@hotmail.com) for anything. God Bless!
